

Um

dia,

os 3 porquinhos

construíram

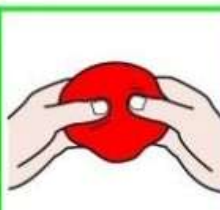

as suas

casas.

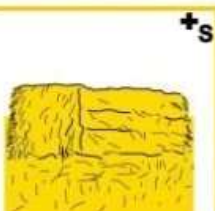

1 porquinho

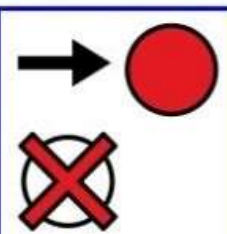

fez

1 cabana

de palha,

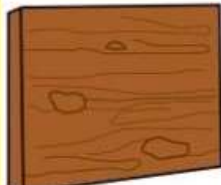

outro

porquinho

1 cabana

de madeira,

mas

o porquinho

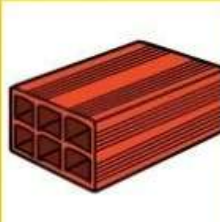

trabalhador

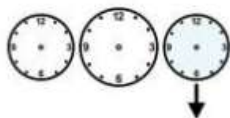

construiu

1 casa

de tijolos.

Depois,

o lobo mau

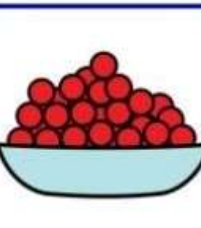

chegou

à floresta.

Vinha

com muita

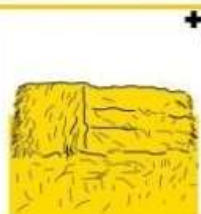

fome.

Soprou tanto,

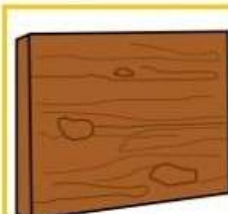

a cabana

de palha

e a cabana

de madeira

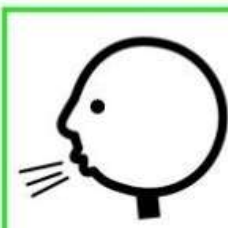

partiram se.

Mas,

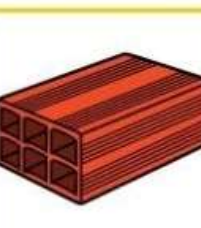

quando

soprou

a casa

de tijolos

não

se partiu.
